- Obey traffic signals and stop signs.
- Never use a phone, headphones, or umbrella while riding.
- Wear your helmet.

### Safety Checklist

Regularly check the following.

  - Recently inspected? (Recommended at least once a year)

If there is any problem, visit a bicycle shop for adjustment or repair. And be sure to get a checkup at a bicycle shop before a special event or long ride.

## D Pacific Cycling Road Unified Logo

- The Pacific Waves Design was modeled after the Seigaiha, a pattern of blue ocean waves which is a Japanese famous pattern.
- The image that represents the beauty of Japan's Pacific Ocean Coast for both domestic and foreign tourists to enjoy while participating in slow tourism by bicycle.

The great benefits from the sea spanning six prefectures are put into the six seas, and the warm blue color expresses a calm and enveloping ocean.

The bicycle was designed to be as simple as possible and easy to see and understand.
